Article 5.2 – Eligible Competitors – Licences

For UK Residents - As for all events run in the UK by HERO-ERA in 2021/2022 and beyond, all competitors whether you're a driver or a navigator are required to have a Current Motorsport UK Competition licence (or a Competition Licence issued by your country's governing body) if you don't hold such a licence you must apply for an RS Clubman licence. This licence is free of charge and can be obtained by going online to the Motorsport UK site and making a formal application. If you held a 2021 Licence you will need to renew it for 2022.

You will then be issued with a competition licence which will give you your competition licence number. You will also need to bring the competition licence with you for inspection at signing on or if you have a temporary number please bring the email confirmation.

Should you require any assistance regarding this, then please do not hesitate to contact the office who will give you any guidance they can.

For Non-UK Residents - Non-UK residents who don't hold a competition licence from your countries governing body are unable to apply for a RS Clubman licence; however, we have negotiated with Motorsport UK to be able to issue a Historic Regularity Competitor Permit which validity is solely limited for the event in question. This form will be sent to you with final instructions please complete it and bring to signing on. Again, without the submission of these forms you will not be allowed to compete on the events.

We appreciate that this is a major change in the licencing procedure, and this has been brought about by Motorsport UK. We will endeavour to make the process of obtaining a licence or dealing with issuing the historic regularity competitors permit as easy and as smoothly as possible. Please bear with us at signing on as you will need to deal with this aspect of the process before proceeding to the formal signing on process.
