

Event Report – End Of Day Two

Results are about to be published and our daily video round-up is nearly ready.

Until then a few more photo and quotes from our competitors.

Car 4 Bill Cleyndert / Jacqui Norman: “We’ve had a really fun day, it’s been brilliant the water feature of the ford was very interesting too, I got soaked but I don’t mind”

Car 7 Matthew Polk / Amy Gould: “Apart from dropping my timecard in the mud while getting out of the car it’s been great and the test was a hoot and a half

Car 15 Graham Platts / Neil Ripley: “It’s been a great day, I really feel like I’m getting the hang of it now, the regularity where we were up in the hills was wonderful and the scenery was breathtaking”

Car 22 Mark / Susan Blackmore: “The last regularity was incredible with beautiful scenery, it’s been a thoroughly enjoyable day with great organisation”

Car 24 Michael Kershaw / Elizabeth Comstock-Smith: “We’ve had a good day, far better than we expected, the traffic lights caught us out but that seems to have happened to everyone”

Car 46 Robert Crofton / Nicholas Ruddell: “We had a great run and that last but one regularity was just incredible, the ford really caught us out but the day itself has been great”

Car 47 Dilwyn Rees / Andrew Duerden: “We were on time until we hit that ford, then the car started chugging and spluttering and we ended up down by four seconds by the time we got to the marshal”

Car 59 Derek Reynolds / Eddie Beedie: “We went off road, got stuck and had to be towed out but the mechanics, lost 10 minutes”

Car 61 Hubert / Diane Lynch: “We were rather worried about driving our mini through the ford, as we had a bit of trouble a few years ago where we needed to push it as we had taken on too much water”

Car 75 Pierre Gerber / Alice Leuenberger "It was a great experience, especially driving through the water splash, it was so much fun!"

Car 86 John / Freddie Evans: "Well, our Brantz is broken so we've found this very difficult. It's ok on tulips, but anything else becomes very tricky. Apart from that it's been wonderful"
